DEDRY PEATER

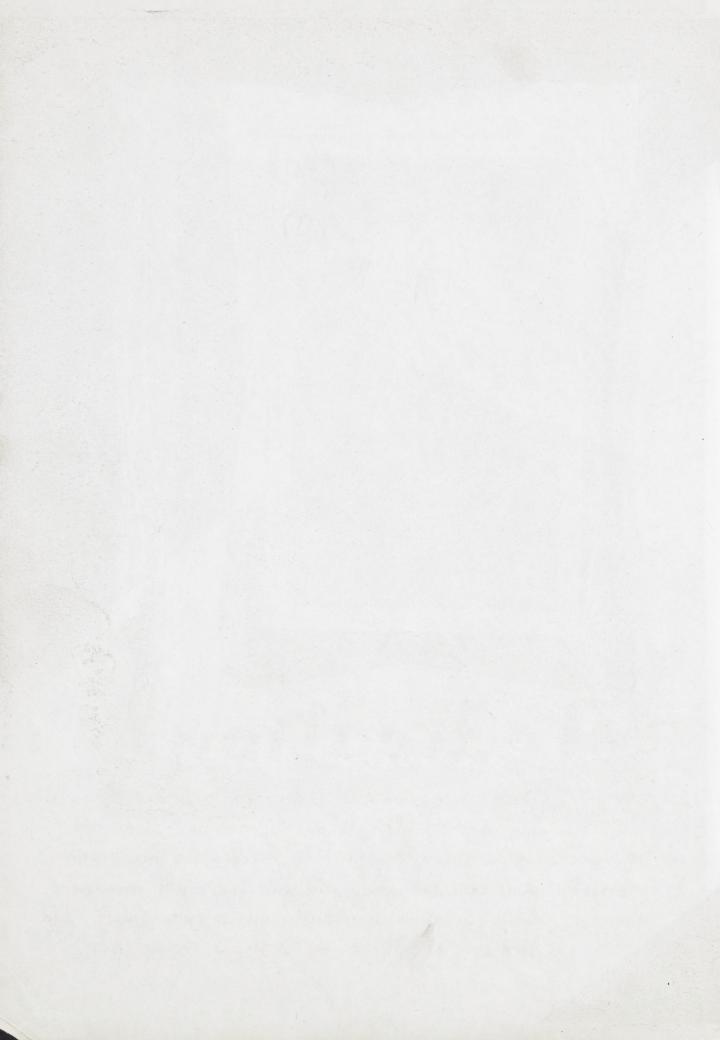

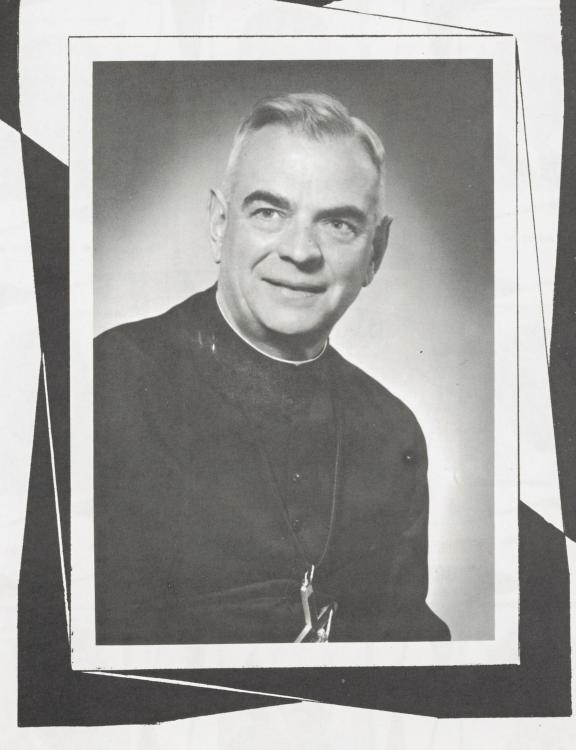

Crowfoot Indian Residential School Cluny, alberta 1962-63

This book is gratefully dedicated to Dister Represents, who not only "grew up" with our School, but also "fed" its growth. For twelve years Sister, as Kitchen organizer and chief cook, fed the many student and staff members.

Chil greatly appreciate the splendid work and tireless efforts of this Sister of Providence.

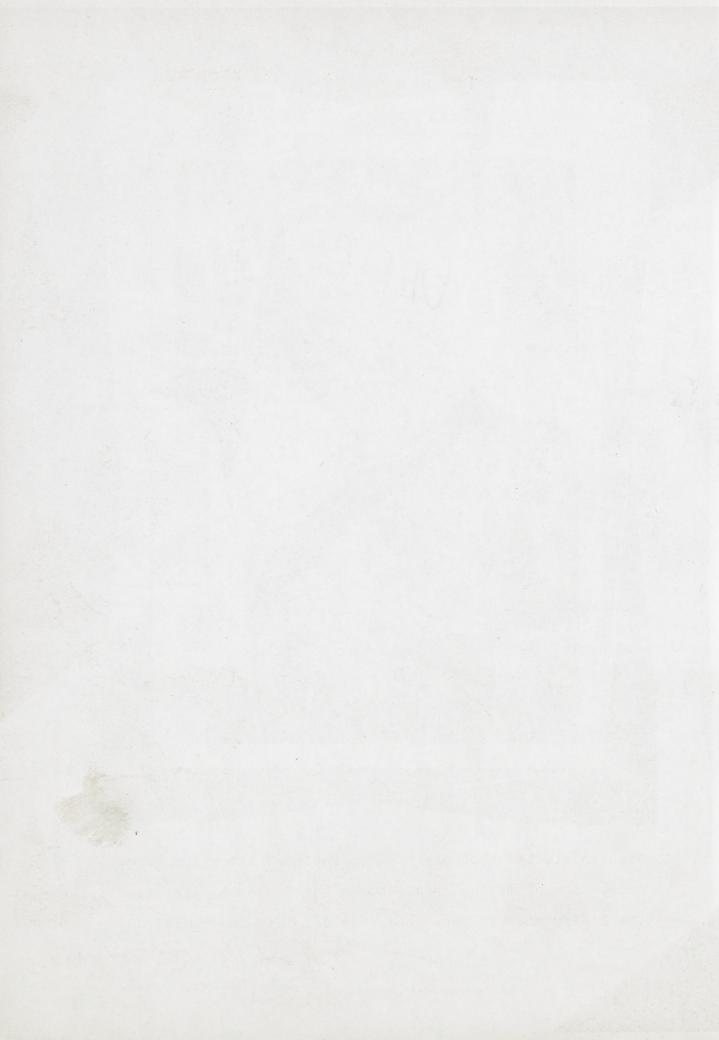

With this edition of the "Golden Feather" comes the warmest expression of my feelings towards the Students, the Parents, the Staff, and the many good Friends. May God bless you!

Grade

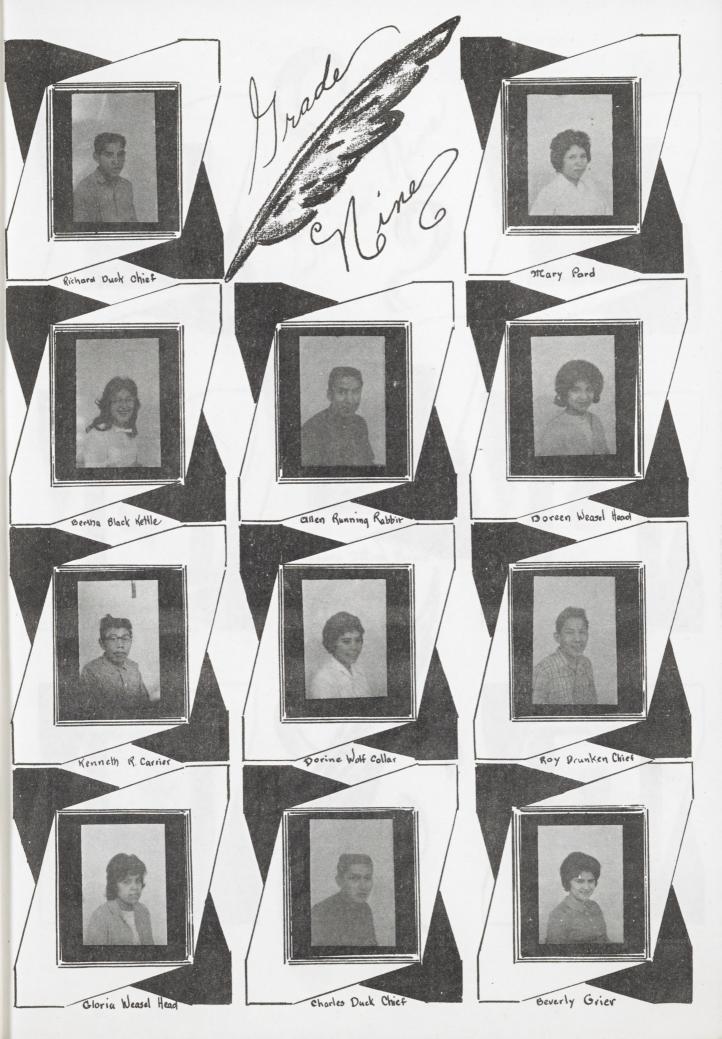

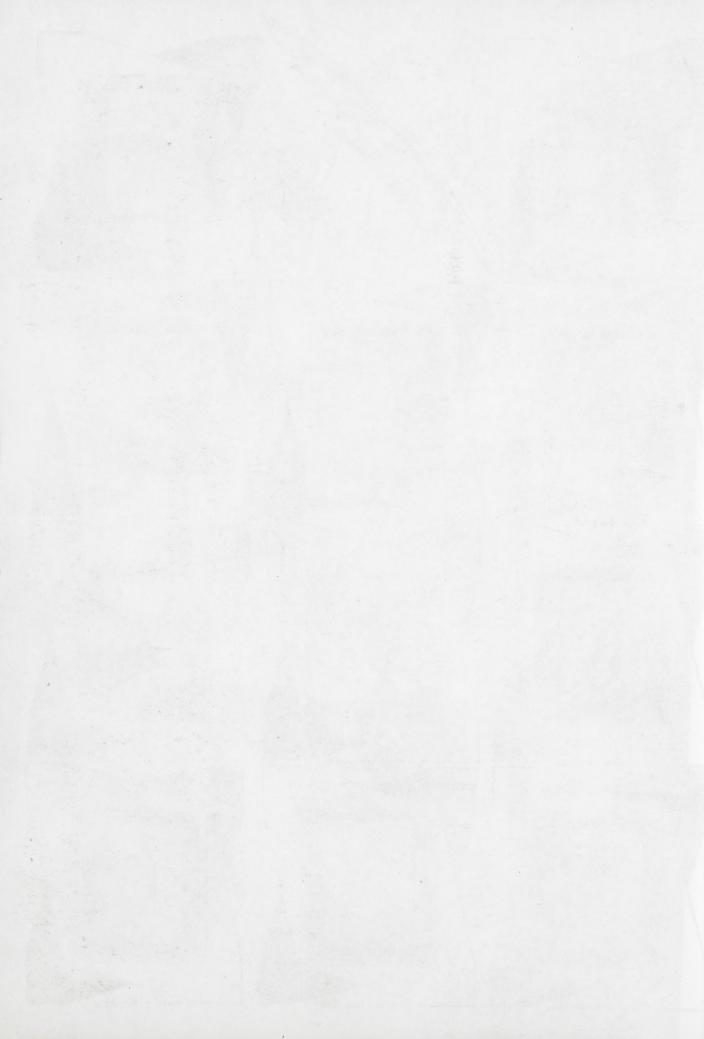

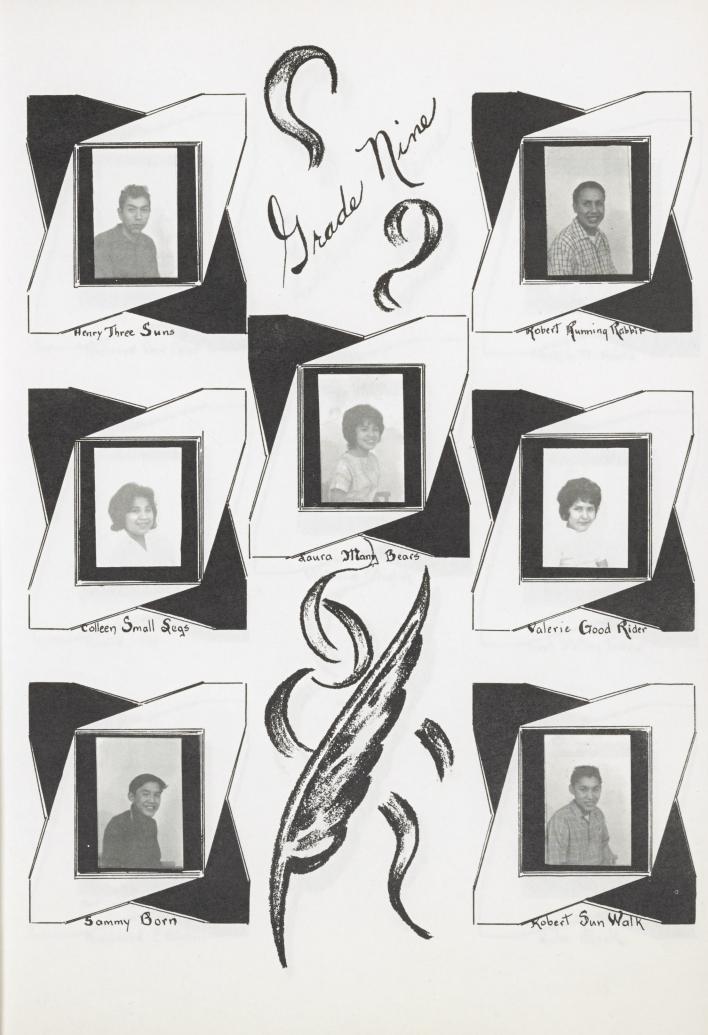

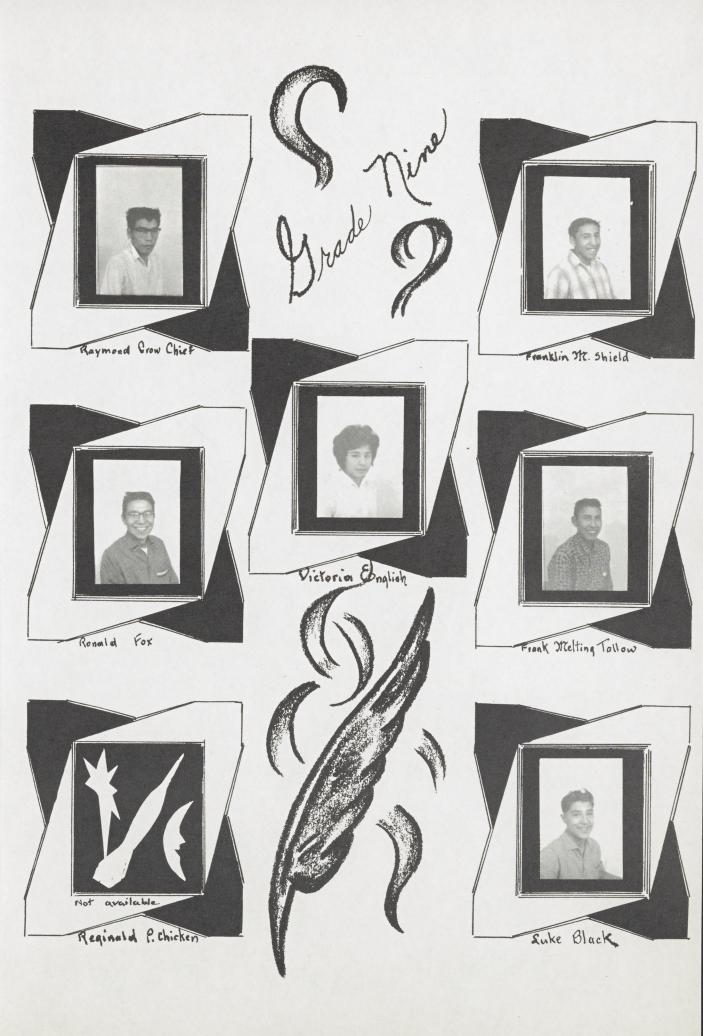

This year, the Boarders were pupils from Grades 1B to X11. There were about thirty students from the Elementary Grades, but most of the Boarders were those from Grades 7-12.

A new arrangement was put into

A new arrangement was put into

The boarders of Grades

7-12 stayed over for Saturday morning study.

This new two-hour period scared us at first, but many students derived benefit from it. On Friday evening we had a social evening of games and fun.

ionst And

The school has acquired a new school bus. It is used to bring some of the day pupils of the Elementary School to and from home each day; also to give transportation to adults from the Reserve for meetings and special occasions. This bus is the one that brought us home each Saturday after study and dinner.

We had many activities in the evenings, since there was no aftersupper study. We had study each day from 4:30 to 6:00 p.m., and in the morning, from 8:00 until school time.

The activities included Cadets work for the Senior boys, Scouting for the Juniors. Senior and Junior 4-H clubs for the older girls Girl Guides for the Grades 7-8 girls. There has been Physical Training for all, each group at its alhotted time. The course in First Aid was given to all students of Junior and Senior High.

Now the girls are having the Home Nursing and Child Care courses

given us by our Public Health Nurse, Mrs. John MacKenzie.

We are grateful for all these apportunities, and we thank the School authorities, and the teacher of each subject, and the coach of each group for all their help.

May I also mention here that Friday evening of each week, we had a social evening, organized by a committee of students and teacher advisors. Thanks to them too, for all they did for our enjoyment and benefit.

## 2541 CHIEF CROWFOOT CADET CORPS

I would like to thank and congratulate all the Cadets for the wonderful work they have done. During the last five months, they have performed the way well-trained Cadets do, and not as first year Cadets, which they are.

Further, I wish to thank particularly our Cadet N.C.O.'s for their leadership and work; also Mr.Charles Park for his dynamic example and tireless work with the boys; and in addition, our thanks to Father Latour and Father Couture for helping us start a Cadet Corps once again.

Good luck at camp! See you next year.

In closing this school year, we offer to God our thanks for
His many blessings -- for our children, the blessings of a
Catholic education. Parents must realize that the school is a
help, not a substitute for parents' obligations. Parents and
School are shaping the lives of students -- the parents and leaders
of tomorrow. Only by working together can we accomplish the noble
task of giving to the Church sincere and loyal Catholics, and to the
country honest citizens.

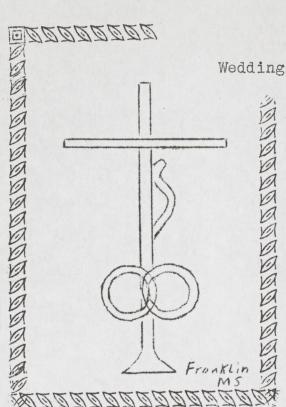

May God bless you all, and reward all for their good work.

Fr. Phil. Poulin omi

Parish Priest

Weddings

Among the interesting events of the year were several weddings which took place here, or elsewhere but of people from here. I should mention first one which took place just after school closing last July, that of our Grade 10-11 teacher, Mr. Gerald Murphy, to Miss Mary Stuka. They are now living in northern Saskatchewan, and both

teaching at Fond du Lac.

On September 26th, at the Church here, was the wedding of Leonard Good Eagle, a Grade Xll student of last year and Anne Marie Many Bears. It is my privilege to write about it, because Anne Marie is my own sister. I was bridesmaid at the wedding. In October, Wilfred Calf Robe was married to Claudette Big Tobacco. Marie Rabbit Carrier, a Grade Xll student of last year, Girls' Assistant Supervisor this year, and Physical Education teacher for the Junior Girls, was married in December to Mr. Francis Water Chief.

Mr. John MacKenzie, the Grade VIII teacher, was married to Miss Helena Fitzgerald, our Public Health Nurse. The wedding took place at her home parish, St. Joseph's Cathedral, in Edmonton, on February 23, 1963.

We congratulate all these "newlyweds," and wish them happiness and God's best blessings.

### First Communion and Confirmation

May 14th, this year was First

Communion Day for fifty-six little

pupils of this school, mostly from

Grade One. The Mass was at 11 o'

clock. The Senior students sang hymns

The first Communicants recited

together beautifully their prayers

before and after Holy Communion,

promising Jesus, on this lovely

day, to try to be good always. Our

Principal, Father Latour, gave a lovely sermon, addressed particularly to the little ones.

May 26th, at 2:00 o'clock in the afternoon, was Confirmation at our Holy Trinity Church. His Excellency, Bishop Carroll, from Calgary, came to administer Confirmation to forty-five children and three adults. The Bishop spoke to all those present, especially to the parents, reminding them of the needs, duties and responsibilities of Catholics in the world today. Then he questioned the children. They answered well, and at the end of the ceremony they recited the required prayers together. The ceremony closed with Benediction of the Blessed Sacrament. There was a good attendance on both occasions.

We are grateful to those who prepared the children for these great days, and to all those who helped to make these two events really beautiful.

### Father Fox

On February 21st, 1963, Reverand Father Marvin Fox, a Blood Indian from Cardston, was cordially welcomed by our people when he came to visit here at Crowfoot, Father Fox is the first Treaty Indian to enter the priesthood and become ordained.

The ceremonies of this event began at 10:30 in the morning and concluded around five that afternoon. This gave us all a holiday. During that time we were privileged to see Father Fox conduct his second Solemn High Mass. His first High Mass was at his ordination at St. Mary's Church in Cardston. After Mass here,

he generously gave his blessing to the people.

A banquet was enlarge number of Speeches were guests and visitspeakers were: Latour and Father Stephen Fox Sr.

With the closing of this performance, Father Fox remained in the gym to meet and talk with the people. He regretted he was unable to stay longer, but in the month of June, he will be spending two weeks with us. This made us very proud to have Father Fox the first Indian priest, here at our school of Sick-si-ka.

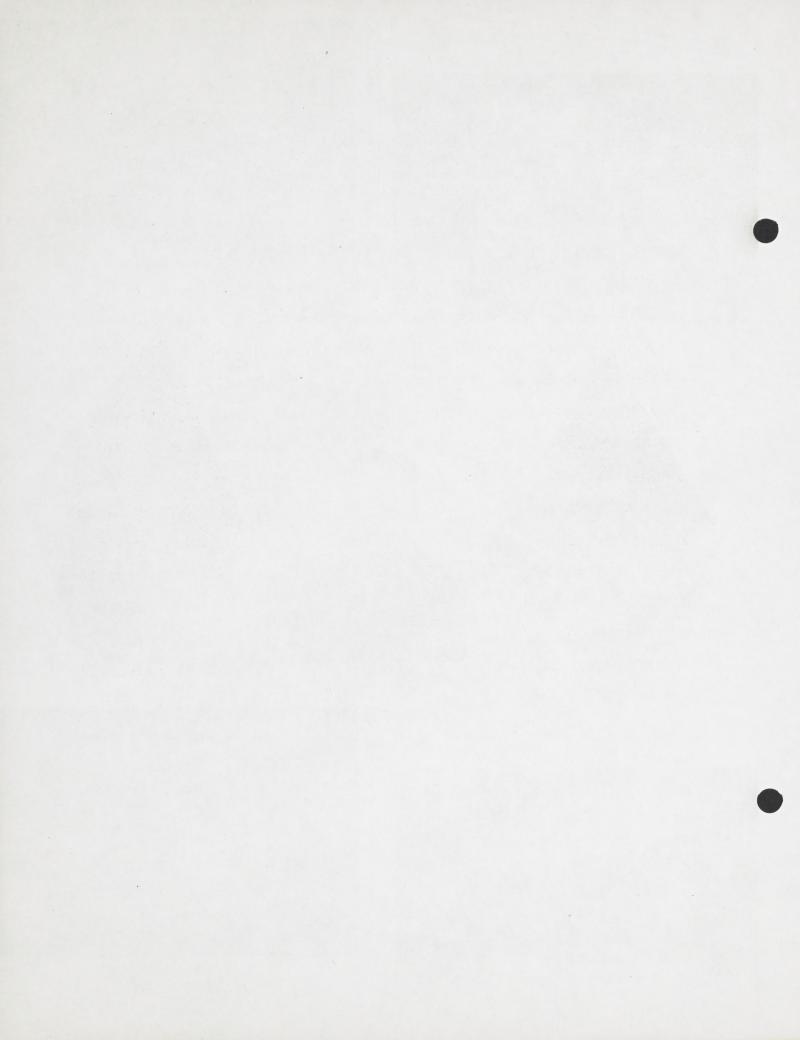

# Opening of the New Hall

The opening of the new hall took place on February 1st, at 8 o'clock. It was quite a celebration for the people of the reserve.

The ceremonies started with the singing of O Canada and after this, our Parish Priest, Father Poulin, blessed the new hall. The honor of cutting the ribbon went to Mr. One Gun, one of the oldest men on the reserve.

Among the speakers taking part in the program were Mr. Fairbourn. Father Fortier. Mr. Rufus Good Striker and Mr. Murray. They were followed by French Folk songs sung by the Senior boys and girls. Mr. Earl Cardston was the Doucette from guest soloist accompanied on the piano by his wife, Mrs. Doucette As a finale, our teachers presented a play on the life of Father Poulin.

Lunch was served by the Girls' 4H Club and a Pow-wow lasted until 2 o'clock in the morning finishing the celebrations.

This will be one night remembered by all.

### School Retreat

On the list of our special days of every year we have those of our regular annual Retreat, here at our school. This year it was held on February 18 and 19 but actually it started on the 17th in the evening and closed on the 20th with morning Mass. We realized this retreat is a privilege and we hope all students derived real benefit from it.

Every student from Junior and Senior High attended, and some of the Elementary school pupils. From outside of school, all the parents and other parishioners were invited. All sorts of useful topics were given as lectures to inspire us to lead a better life. Many thanks to God for these many graces, and many thanks to Father Tardif, O.M.I., from Pincher Creek, who was our Retreat Master.

Delphine Spring Chief, Gr. Xll.

#### Funerals

In our Parish family, as in an ordinary family, there are days of sorrow as well as days of joy. This year we lost some members of the Reserve. Mr. Tom Many Shots, an old-timer here, died early in January. His funeral took place on January 8th.

On May 9th, Mrs. Tom Scalp Lock, mother of one of our Grade 12 girls, Ruth Scalp Lock, died very suddenly. We were sorry to learn this sad news. We prayed for Ruth and for the family, and for the soul of Mrs. Scalp Lock.

The older students attended both funerals, and sang the Requiem Mass. Each time there is a funeral, we attend, out of sympathy for family, and to pray for the departed.

Doreen Weasel Head, Gr. 1X

## School Retrent

On the list of our special days of every your we have those of our regular annual metreat, here at our school. This year it was held on Tebruary 18 and 19 tut sctually it started on the light in the ovening and closed on the 20th with morning Mass. We realized this retreat is a privilege and we hope all students derived real wenefit from it.

Every soudent from Junior and Menior. High attended, and spane of the Elementary school papills. From outside of school, all the parents and other parishioners were invited. All corts of useful topics were given as leathers to insulne as to lead a botter life. Face than the for these many thanks to Jones to these than groves, and many thanks to Jones for these thank groves, and many thanks to Jones for these thank groves, and many thanks to Jones for these thank groves our letrest the formatif. As junior members of the parish we have followed the activities of the Parish family, and have tried to prepare ourselves for spiritual life in our parish for now and for after-school years.

We shared the sad and the glad days of the Parish family. We attended funerals, and sang (or tried to sing) the Requiem Mass. Some of us who are here for Sunday Mass, sing at the High Mass -- other students go to Mass at the Church on the Reserve. We assisted at the weddings of some of our former schoolmates. We joined in October and May devotions. In May, whenever the weather permitted, we recited the Rosary at the outdoor shrine of Our Lady of Fatima, rather than inside the Church. We rejoiced with the fifty-six little children, our younger brothers and sisters, who made their First Communion on May 14th, and with the forty-five who were confirmed on May 21st. We sang the hymns for both ceremonies.

As occasions occurred during the year, we studied or reviewed appropriate sections of our Catechism, and during the whole school term we followed closely each season of the Liturgical Cycle.

At the time of the Ordination of Reverend Marvin Fox, we studied Holy Orders, Minor and Major; the dignity of the priestly vocation; the ceremony of Ordination. We also studied the various celebrations of Mass: Pontifical, Solemn, High, Low, Requiem, etc. as Father Fox came to sing a solemn Mass here.

protect us, pray for us, help us

とうとうとうとうとうとうとう

THE THE PROPERTY OF THE PROPER

An junior members of the purish we have followed the activities of the family, and have tried to propare ourselves for optitual life in our partich for now and for after-concel years.

We chared the ead and the glad days of the Parich family. We altended funerals, and sang (or tried to sing) the dequier hass. Some of we who are here for Sunday Mand, ning at the High who are here for Sunday Mand, ning at the High mass — other students to Mass — the Church on the Reserve. We assisted at the weddings of some of our forwer schoolmates. We joined in October and May devotions. In May, whenever the weather permitted, we recited the Rosary at the author simine of Our Lady of Fating, rather than incide the Church. We rejoiced with the fifty—six little children, our younger brothers and sictors, who made their First Committee on May 14th, and with the forty—five who were confirmed on May 21st. We cang the hymns for both deremonies.

As occasions courred during the year, we studied or reviewed appropriate sections of our Catechism, and during the whole school term we followed closely each season of the hitsurfical Ovele.

At the time of the Ordinetics of leverend Marvin Fox, we atudied Mely Orders, Minor and Major; the dignity of the privatly vocation; the neresony of Ordination. We also studied the various delebrations of Minor: Pontifical, Solvan, High, Tow, Locuten, etc. as Father Fox case to size a solvan Lata here.

night with a protect us.

In connection with the many weddings which were solemnized here, and with the section on Christian Marriage in our Religion course, we studied the Catechism on Matrimony.

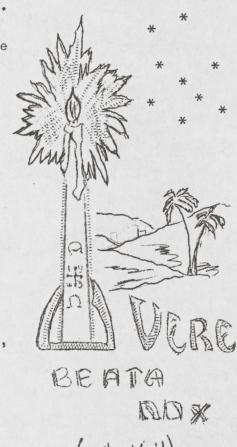

In Holy Week, we studied the significance the ceremonies, the Consecration and use of the Holy Oils, the meaning and the blessing of the New Fire and of the Paschal Candle, and the meaning and Liturgy of Baptism.

As the Liturgical Year progressed, we studied, and tried to live together its different phases: the Life of the Church, after Pentecost; Advent; Lent, and the feasts; also the Blessings of the Church on various objects, candles, ashes, palms, water, etc. Each Friday we learned about the Gospel of the coming Sunday, drawing a sketch, or making a diagram, or answering questions, or writing a short summary of the Gospel lesson.

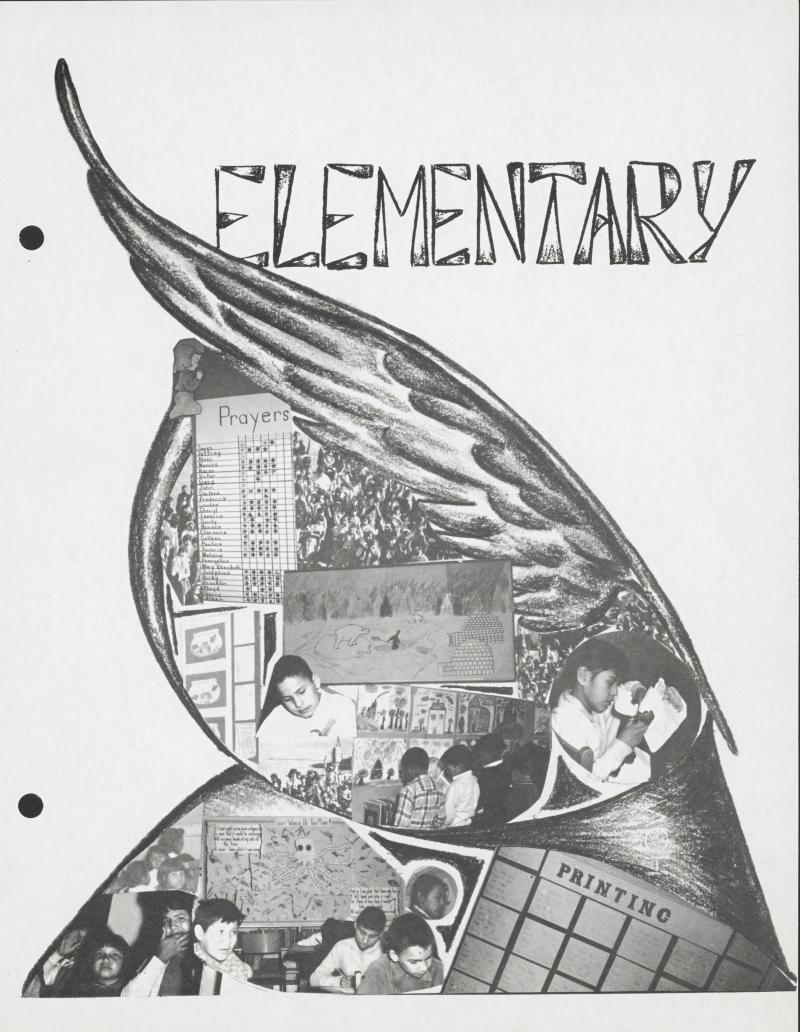

We followed, with study and prayer, the particular events of the year: the Chair of Unity Octave, January 18 - 25; Catholic Press Month in February; the Ecumenical Council; the Novena for Pentecost.

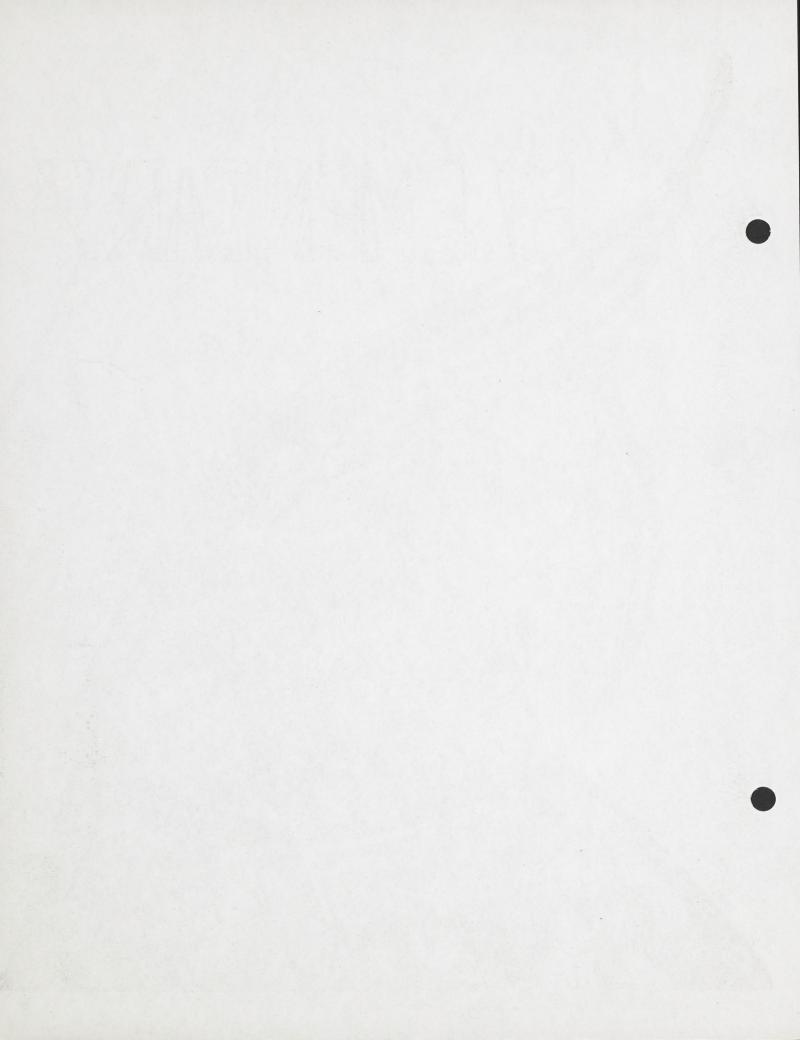

We are to have our Diocesan Exams in Religion, on May 31st. The remaining Religion classes of the year will be devoted to the study of the Encyclicals, especially the "Social" Encyclicals.

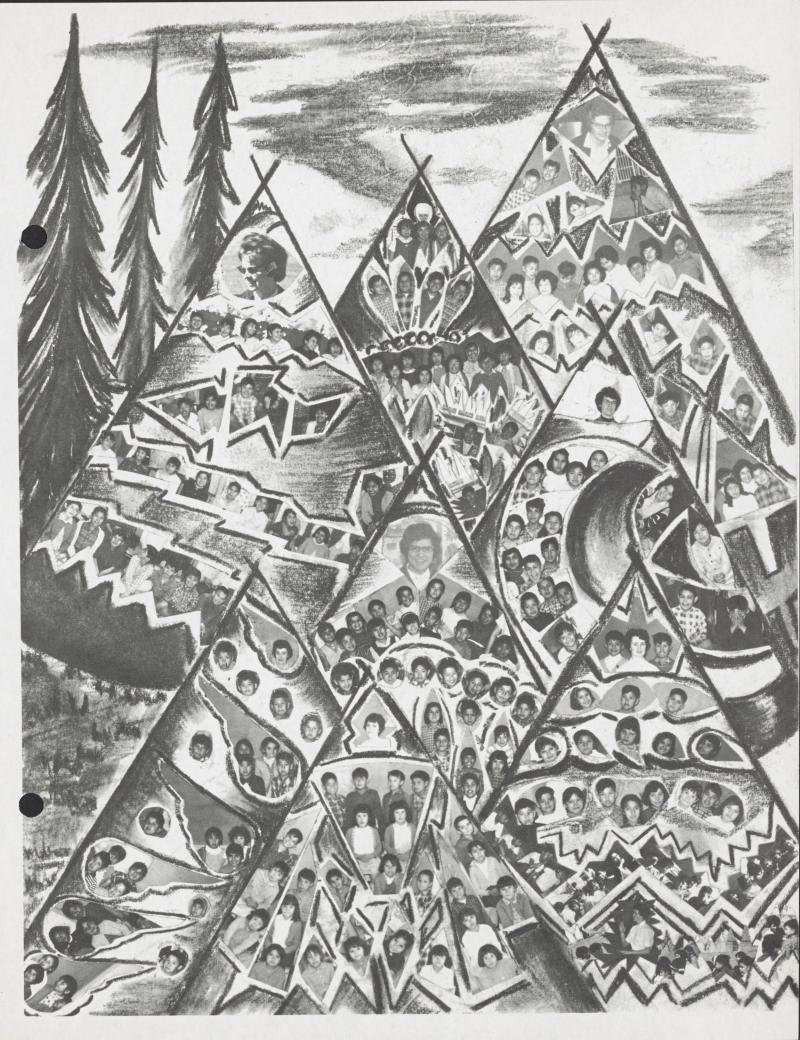

......These are a few of the things we did in our Religion program. May God, our Mother Mary, our Guardian Angel, and our own Patron Saint help us to live always as children of God, and children of the Church.

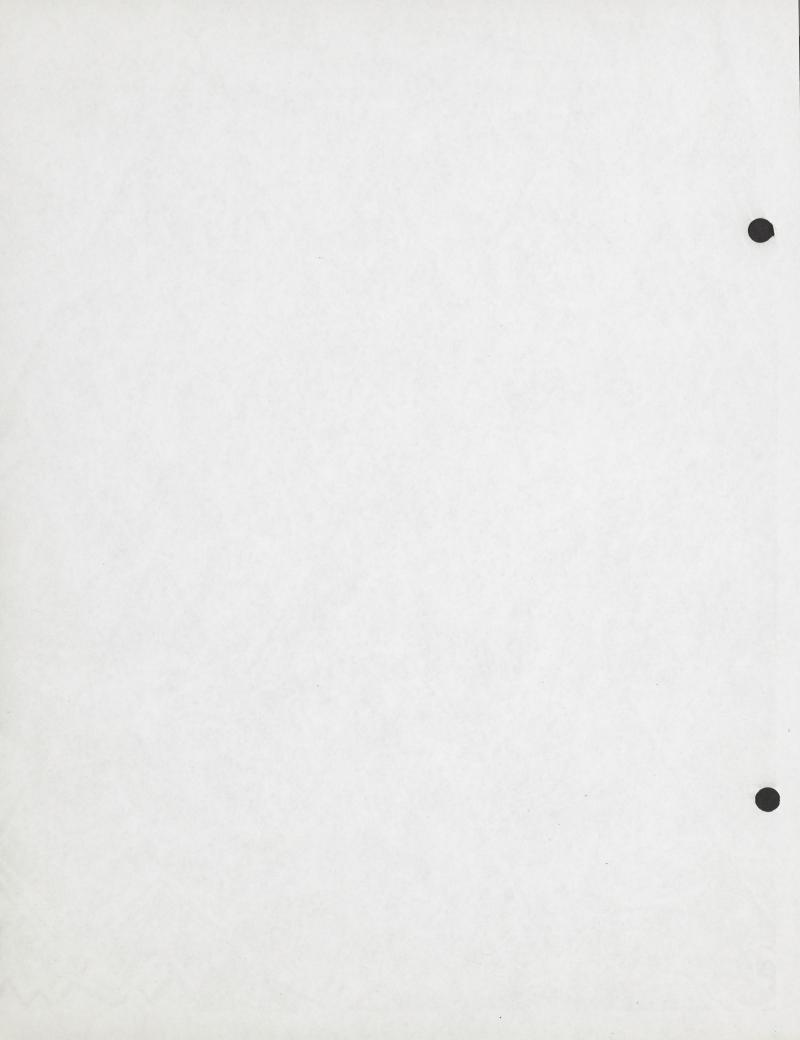

(Easter Kigil)

## Tumbling

As you already know, gymnastics are physical exercise for developing the muscles and improving physical fitness and health. So ar we have done well in our training under our instructor, Mr. Ronald Doore. He worked hard to teach us the proper manner of doing gymnastics.

Last December, before the Christmas concert, we were told to prepare a P.T., demonstration for that occasion. We practised in our leisure time whenever there was nothing going on. In this performance we did various kinds of tumbling. We had to do the forward and backward rolls which are basic stunts, the somersault, and using the boxhorse with the springboard. While we were doing our tumbling, music was played so that we could keep in time and all this was done in quick time. We hope to continue our good work in the coming school years.

# Senior Boys Volleyball

Actually, at the start of the Volleyball season, the boys didn't show much interest in the game. In order to build team spirit, we all attended a volleyball clinic at Strathmore which showed how the game was played. After that a team was formed and took part in the Wheatland League which consisted of five other school teams. With good coaching we went all the way being undefeated in all our games which made us league champions.

A tournament was then held at Hussar from which we teck a trophy home, as well as the championship of the Wheatland School district. In the South Central Alberta Championship, with little or no trouble, we came out the Champions once again.

In this season of volleyball we all had fun and showed good sportmanship. We all thank our coach and principal for making all our trips possible. Next year we wish the team as much luck as we have had for this \*62 and \*63 season.

Richard Duck Chief, Grade 9.

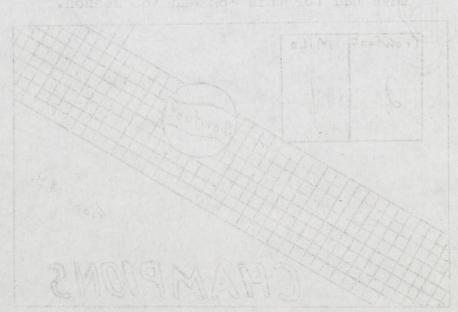

# Findweffor a god moras

Acceptly, at the scart of the Valleyoull season, the loys wild to the loys will snow much interest in one came. Wichers Duck Chief, Grace 9.

# Senior Girls Volleyball Team

Our Volleyball team this year has shown improvement in comparison to last year. During the season we were able to win two games out of the five we played in the Wheatland School Division League. During the games and trips we had, we enjoyed ourselves whether we won or lost the game.

This year our Volleyball tournament was held in Hussar. We came first in the Junior B but Cluny took the trophy. We would like to thank our coach Miss Hoffman for the effort she made in training us to be a good successful team. We also like to thank Father Latour and Father Couture in making our trips to other schools possible.

We have high hopes for the next Volleyball season, for with more practise and effort I'm sure we'll be able to bring the trophy to Crowfoot next year. Those on the Volleyball team were as follows:

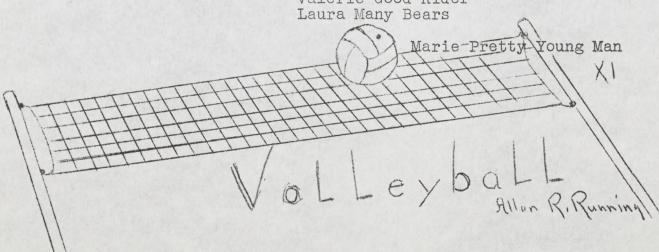

> Captain: Delphine Doore

Marie Pretty Young Man Joan Spring Chief Beverly Grier Vicky English Theresa Erminskin

Mary Pard Josie Madl

Subs:

Doreen Weasel Head Valerie Good Rider

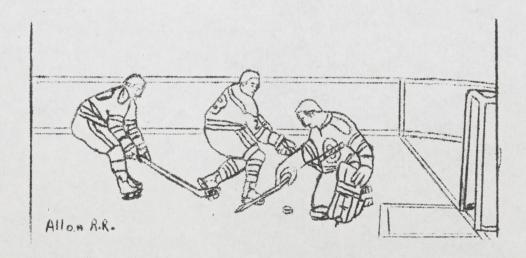

# Senior Hockey

Our hockey season this year was rather a disappointing one, due to the lack of ice and hockey games. This year we played only two games, one loss and one victory. The victory was our 9-4 score over the Hobbema team. The other game was against Strathmore (All-Stars) juveniles, score 11-2 for Strathmore. There was no doubt we had a good hockey club, but what could we do to control the temperature? The elements were definitely against us. We did not even have much skating.

Outside our hockey team, we had four boys playing provincial hockey with the Wheatland All-Stars. Playing for the Strathmore Juveniles were, Allan Running Rabbit and Richard Duck Chief, The other All-Stars were Arnald Running Rabbit and Melvin White, these boys helped their team go all the way to the provincial finals, losing out to Settler for the Alberta championship.

Both sides can't win of course. So we tried to be good losers. We congratulate our opponents and we are happy with the good time we had, in spite of our defeat.

Ronald Doore, Gr. X11

### Senior Boys Basketball

This is the best basketball season the Crowfoot Arrows ever had in the six years of its organization here. The team is an entirely new set of phayers. With all the big boys gone, we thought it was going to beatough season, but practise and the experience of Mr. MacAdam, our coach this year have made the Crowfoot Arrows a fine team.

During the season we played five league games, winning all but one which we lost to the Strathmore team. We established a good record to gain a chance to compete for the championships, February 1963 at Strathmore. The Strathmore team had a similar record, was a good competative team. We crushed them badly and the Championship League Trophy was presented to the victorious Arrows by Mr. Len Thomas, President of the Wheatland High School Sports Committee.

The Crowfoot Arrows were the favorite to win the Wheatland Tournament which was held a few days after the league Championships, here at Crowfoot School. The games started in the morning. Our first game in the afternoon against Strathmore was an easy victory. All afternoon other teams, Rockyford, Hussar Strathmore, Standard and Cluny were battling away to gain the challengers seat. Cluny won the chance to try to upset our chances or even beat us out. The final game began about eight o'clock in the evening in which a capacity crowd was in attendance. After the game got under way, the speedy Arrows outran and outshot the Cluny team further in the second, the Arrows were winning the war, but in the third, fouls put our best warriors out of the game. This was a good one for Cluny. Cluny evened up the score for the first time early in the last quarter. The second string tried but succeeded just for a while to keep the score even. The Cluny team won hard and lucky by three baskets.

"Its not how you win, but how well you've played the game." The Crowfoot Arrows this year played its basketball games very well and skillfully to make itself a very good competative team and a hard one to beat. The Arrows played very fast that they often ran over the opponents and get fouled for it.

We certainly appreciated the good coaching of Mr. MacAdam. He taught us a few plays. One which was efficient and one in which put us on the go was "the weave". Also the freezing tactic which thrilled the audience and put the fans cheering when the Arrows started handling the ball around like professionals. We hope the Crowfoot Arrows will be back, to play as a team, to win lot more as a team.

Erwin Melting Tallow, Gr. XL

# Senion Boys Baskschall

This is the past backettell season the Growfoot Arrows ever had in the gir years of its organization here. The team is an entirely new set of players. With all the big boys gone, we thought it was going to beatough season, but practice and the experience of Mr. Machang, our coach this year nave made the Growfoot Arrows a fine team.

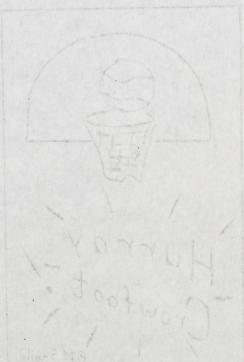

Fring the season we played five leasts games, winning all but one which we lost to the Strathmore team. We established a good record to gain a chance to compete for the chancionships. Fearuary 1965 at Etrathmore. The Strathmore team had a similar record, you a good competative team. We crushed them baily and the Championship teague Trophy was presented to the victorious arrows by Mr. Len Thomas, Frankland of the wheatland ligh School Sports Committee.

The Growloot Arrows were the favinte to win the Wheatland Tournament which was held a few days after the league Championships, here at Growloot School. The games started in the morning. Our first game in the afternoon against Strathmore was an easy victory. All afternoon other teams, Rockyford, Massar Strathmore, Oluny and Cluny, were buttling away to gala the chances or even best us out. The final game began about clant o'clock in the evening in which a capacity arowd was in attendance. After the game got under vay, the speciy Arrows outrat and outland the Cluny cam further in the second, the arrows were winning the war, but in the third, the arrows were winning the war, but in the third cluny evened up the second for in game. This was a good one for last quarter. The second cluin, tried but succeeded just for a while to keen the score even. The Cluny team won hard and lucky while to keen the score even. The Cluny team won hard and lucky three baskets.

Played the Rame." The Grawlood Arrows this year played the Rame." The Grawlood Arrows this year played its bestetball games very well and shillingly to make itself a very wood competative team and a hard one to beat. The Arrows played very feet that they often ran over the appohents and get touled for it.

We sertainly apprachated the good combine of Mr. Macadom. He bought us a new plays. One which was efficient and one in which yet us on the go was "the weave". Also the freezing that is waith the life and the approve attacked handling the the ball around like professionals. We hope the Grown on Arrows will be back, to many use a term, to win lot more as a term.

Schin Melting Tollow.

Senior Girls' Basketball Team

Annually, our Senior Girls participate in the Wheatland Division Basketball League. This league includes teams from Cluny, Standard, Strathmore, Hussar and Rockyford. During the season we played five games of which we won two. Though, we weren't too successful in the league games, we really enjoyed those opportunities to go someplace during the weekends.

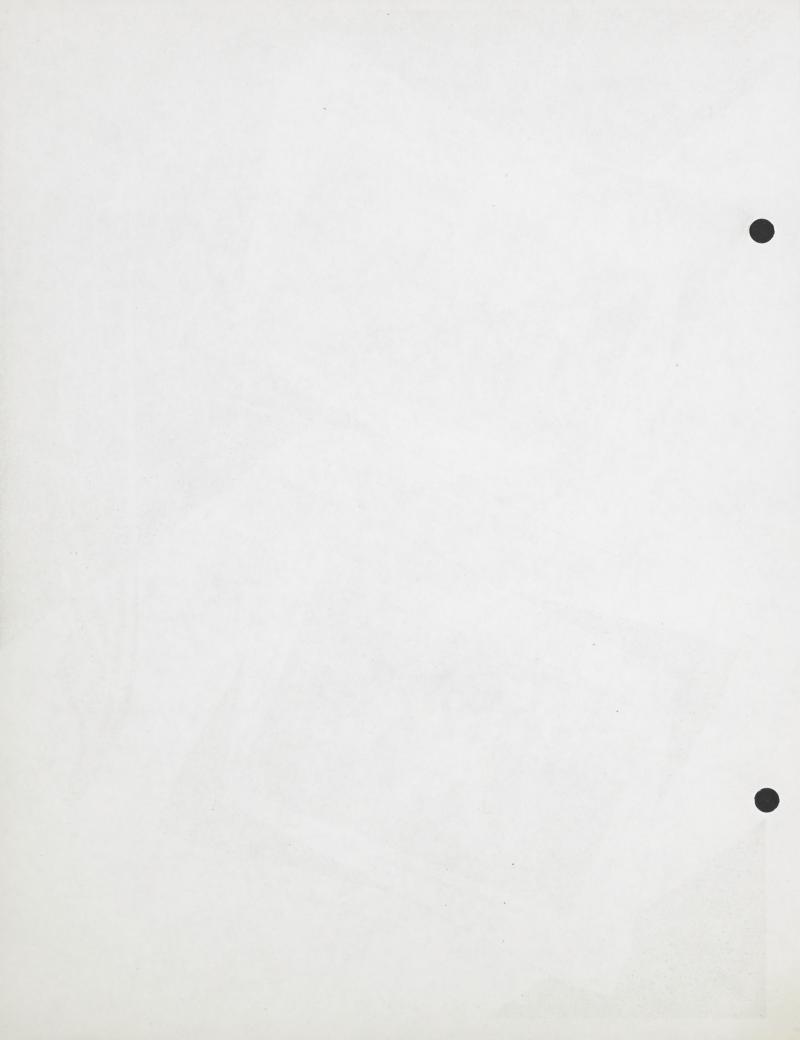

This year the Tournament was held on February 16, here at our school. We played against Rockyford in our first game and won. Our second game was with Strathmore and we lost. Although we came in third place, we hope to have better luck next year. Our sincere gratitude to Father Latour for making these trips possible, to our driver, Father Couture and to our coach Mrs. Marie Waterchief. Our team included the following:

Captain: Delphine Doore Gloria Weasel Head Marie Pretty Young Man Doreen Weasel Head Beverly Grier Josie Madl Vicky English Joan Spring Chief Lucille Scout Mary Pard Doreen Wolf Collar

Frank, MI

Our All Stars were: Gloria Weasel Head and Delphine Doore Delphine Doore XI

# Social Evenings

As in the past years, our school was held many activities. One which is always popular is the social evenings. The Social Committee organize these socials. This year we stayed at school for Saturday morning study. So, instead of having social evenings once a month, we had them where there is nothing special going on, that is Friday evenings. The Social commences at seven-thirty p.m. and usually ends at ten p.m. The grades seven to twelve inclusive attend these socials.

During the social evenings we played various games. Sometimes the students are divided into four different groups. Every team is required to do certain games such as the musical chair, the apple race, identifying pictures of famous people, which is a lot of fun, and also spelling match races. Dances which we had learned at folk dancing lessons, were danced for part of the entertainment. The evening usually ended with lunch. Here we would like say a special Thank you to Sister Louis and the Kitchen staff who so kindly prepared the lunches. After lunch we took the remaining period for a little more dancing. The evening then closed with a prayer.

We feel that the Social Committee has done its utmost in making these social evenings successful. During each of these, we have enjoyed ourselves and we would like to give them our sincerest thanks.

#### Senior 4-H

This year several new extra-curricular activities were set up in our school. For the girls of Grades 9 to 12, it was the 4-H club, subdivided into junior and senior groups.

Miss Denise Chandonnet, our Home Ec. teacher, was in charge of 4-H activities. She gave much time and care to the planning and doing of work, and missed no occasion which would provide interesting opportunities and experiences for us.

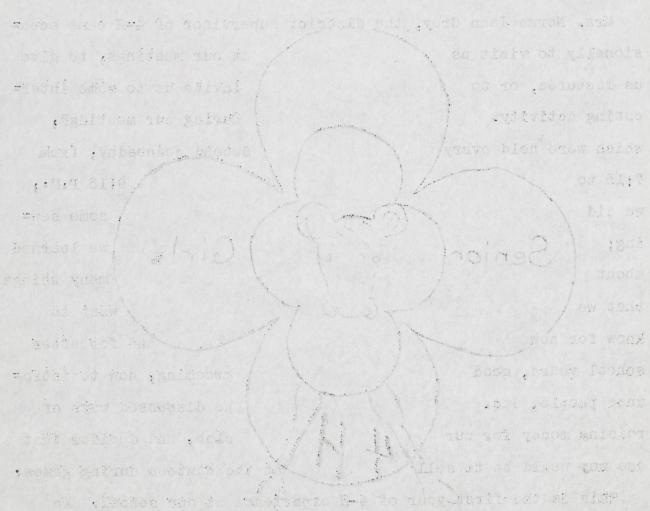

This is the first year of 4-H experience at our school. We hope the students of next year will join 4-H and enjoy it as much as we did. May they find ways of maintaining and increasing the interest of the members.

Posts From

This year we had our first Crowfoot 4-H Club, which we were all proud of. We had to have two groups, Junior and Senior, because we were too many to have our meeting all together in our Home Ec Room. The Junior group chose the name "Jolly Workers". The person in charge of 4-H around our district, was Mrs. Norma Jean Gray, from Brooks. She appointed our Home Ec teacher, Miss Denise Chandonnet, as a leader for our club. The first thing we did was to elect President, Vice-President, Secretary and the Treasurer for both Seniors and Juniors.

Martha Pard, Grade XI, a boarder, who comes from the Peigan Reserve in Brocket, was in with the Junior group, and told us about 4-H. She is now taking the fourth year and had many experiences with 4-H. We are taking "Clothing" in 4-H, which is almost the same as in Home Ec. First we did our "Sewing Kit", then our "Dicky" After we finished these, we started on our "Aprons".

Not only do we sew and have meetings, but we also had few trips to Calgary and Brooks. On January 24, we went to Calgary to see the Ice Capades, which was very interesting. On March 28, we went to Brooks, to a public speaking contest, in which four of our girls competed. They were Vickie English from the Peigan Reserve, Ruth Scalp Lock, Gloria Weasel Head from here, and Josie Madl from the

Blood Reserve. These girls are all boarders. They did not win

prizes but tried their best.

We are looking forward to

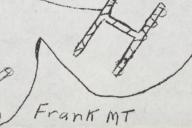

taking our second year.

Many thanks to Mrs. Norma Jean
Gray and to Miss Denise Chandonnet

our Home Ec Teacher.

### Canadian Girl Guides

1st Crowfoot Company

Our senior teacher, Fr. Couture thought it would be wonderful if Crowfoot School was to have Girl Guides for the first time. It was not until October that it was started Mrs. MacKenzie and Miss Train organized it for us. Mrs. MacKenzie is our Captain and Miss Train is our Lieutenant, Mrs. Park is also helping

Erwin MT

us now and she is also a lieutenant.

After our group was well organized we were put into four differentgroups or as we call them "Patrols". From our patrols we each picked a patrol leader and a second. Every Wednesday night we, Girl Guides get togather at our Parish Hall with our Captain and Lieutenants and have our meetings. At our meetings we discuss many of our problems, we play all sorts of games and learn how to do many different things we hadn't known before.

A few weeks after being organized we went to a Girl Guide meeting in Calgary where we got instructions on what it is like to be a Girl Guide. The Calgary Girl Guides sent us a special gift

for Christmas. We travelled again to Calgary to pick our our uniforms.

At the opening of our new
Parish Hall, the Boy Scouts and
Girls Guides acted as a Honor
Guard for our Parish Priest, Fr
Poulin.

Girl Guides ... (continued)

On March 30th, we were enrolled as the First Crowfoot Company. Each Guide invited two people to come to Mass and receive Holy Communion. After, we all had a communion breakfast togather. That aftermmon we had our Enrollment, it sure was a great day for us.

On May 4th, was Girl Guide day all over Canada. On this day we went to sell Girl Guide cookies to the people.

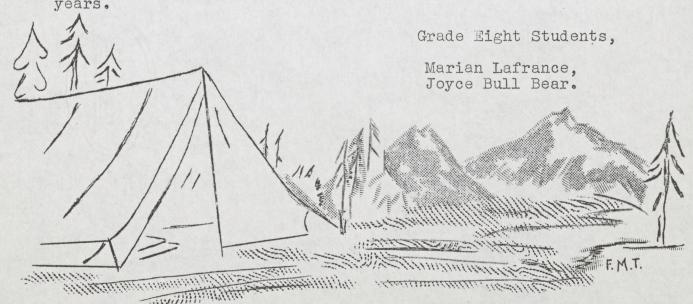

At the end of this month the best, well-behaved patrol will have the honor of going to Calgary to spend the day with pleasure.

Ever since our Girl Guide Committee was organized, we spent many happy days with our Captain and Lieutenants.

We, Girl Guides, would like to give many sincere thanks to Mrs. MacKenzie, Miss Train and Mrs. Park for giving up their spare time in helping us in our activities.

They have spent many hard working hours with us.

We do hope that this organization of Girl Guides would continue with their good work and deeds throughout the comming years.

Ice Capades

The 4H girls club were all anxious and excited on January 24, because they were going to see the greatest show on ice. The Magnificent Ice Capades.

The 4H girls had been working extra hard for two weeks trying to

raise enough money to attend the Ice Capades. Finally the day arrived and we all piled into the bus at 6:00 P.M. Thursday.

We arrived in Calgary and went to the Stampede Corral where the fabulous Ice Capades were to perform. The show started at 8:00 P.M. We were all excited and could hardly wait for the show to begin. The scenery and music were beautiful. The performers skated gracefully with costumes that were beautiful. and brilliantly colored. The comedians were the most entertaining acts.

We all enjoyed the evening and we'd like to extend our gratitude to Miss Chandonnet for helping us raise the money and Father Couture for taking us to Calgary.

### Course on Child Care

We have just started a new course on Child Care. Our district Public Health Nurse, Mrs. John MacKenzie, just finished our First Aid Course, and decided that the rest of the year could be used profitably on the course of Child Care.

In this course, we are taught how to understand and care for a child. We learn how to bathe a baby, change it, dress it, hold it. Also about Baby Food, clothes, safety for the baby, keeping it away from people who have colds or disease, and away from objects that could hurt it. The course also includes a section on Baby Sitting, and another on how to help little children to grow up happy and healthy.

We are really fortunate to learn so many useful things. We Thank Mrs. MacKenzie for all the work she has done for us.

Colleen Small Legs, Grade Nine

In this small space I would like to give a full page thanks to all those who have assisted in the preparation of this yearbook. Especially, Mrs. Joan Big Eye, our typist; Sr. Celine, our artist; Sr. Denise, our printer; and Fr. Latour, our Banker.

Girls Junior Volleyball

During the month of

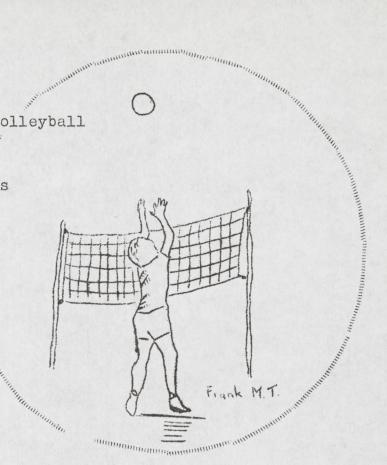

November, some of the girls

of grades seven and

tight gathered to make
a junior volleyball
team. Our coach was

Marie Waterchief. We
practised and played
against Rockyford,

Old Sun, Hussar, Gleichen, Strathmore and Standard. We won two games.

On the morning of December

Standard. The Cluny Junior boys and girls tournament was held at Standard. The Cluny Junior boys and girls volleyball team came with us on the school bus. On the way to Standard, we all sang some songs to keep us happy. When we arrived at Standard, we went to the dressing room to get dressed. We waited anxiously for our turn to play. We competed against Rockyford, Gleichen and Cluny, but we lost. We ate the lunch which we brought along, talked over the happenings of the day and decided it had been very enjoyable. We returned to Crowfoot in the early afternoon.

# Volleyball Tournament

On Saturday morning, we went to Standard to take part in our annual volleyball tournament. When we got there we played two games with Rockyford. We beat them 15-8 on the first game and 15-12 on the second game.

Afterward we played the winners of Standard and Hussar. Hussar won the game so we played them and beat them 15-6 on the first game and they beat us 15-8 on the second game.

On the third, it was 15-14 for Hussar. Therefore, Hussar and Severn Creek played for the championship and Severn Creek won it. After the games we had lunch and went home. The teams that took part in the tournament were:

#### Nos Lecons de FRANCAIS

Tous les ans, notre ecole publie un livre-souvenir, est appele la Plume d'Or. Notre professeur nous demande une contribution au livre-souvenir.

Pendant la classe de français nous faisons notre travail, oral et ecrit, nos exercices, et traduisez en français ou en anglais. Nous apprenons aussi des chansons. Nous avons chante des chansons en français pour la seance de Noel. Nous apprenons aussi la geographie de Françe, les villes, les fleuves et les montagnes, et aussi les coutumes de Françe et du Canada français. Français est une langue interessante.

Ma Soeur Denise nous donne les devoirs a faire pendent etudie. Nous esperons passer en juin quand nous ferons les examens. Souhaitez-nous bonne chance. Nous avons besoin de beaucoup.

Ruth Scalp Lock, Gr.XII

Les eleves qui ont pris le français sont demande (?) d'ecrire pour la Plume d'Or, le livre de l'année de l'ecole Crowfoot, pour montrer ce qu'ils ont compris pendant l'année de l'ecole. Voici des exemples de travail des eleves.

Martha Pard, Gr.XI

#### MA CHAMBRE

Ma chambre est grande et aussi jolie. Il y a deux fenetres avec des rideaux qui vont jusqu'au plancher. Les murs sont jaunes et le plancher est vert, pour aller avec les rideaux. Le plafond est blanc.

Dans ma chambre j'ai un lit, et il est dans le coin. Une petite commode est pres des fenetres, et la table de toilette est entre le lit et les fenetres. Ensuite, j'ai la grande commode qui est pres du lit, et enfin la chaise est devant les fenetres. Sur la commode il y a une photo de mes parents et mon petit frere. Dans les tiroirs, j'ai des jupes, des blouses et des robes.

Il y a une paire de souliers au milieu du plancher, mais un soulier n'est pas avec le soulier derrière la porte. Tiens, tiens, il est devant la porte. Maintenant j'ai dit comment est ma chambre. Comment est la votre?

Josie Madl, Gr.X
